

FrieslandCampina Ingredients joins MNI

Brussels, 10 July 2018: The Medical Nutrition International Industry (MNI) is pleased to announce that *FrieslandCampina Ingredients* has joined the organisation as associate member.

Tim Meyerhoff – MNI President – welcomes *FrieslandCampina Ingredients*: “*We are delighted to welcome FrieslandCampina Ingredients. As a nutrient manufacturer, FrieslandCampina Ingredients plays a key role in the value chain of medical nutrition products. MNI has opened associate membership to companies operating in the medical nutrition market, including ingredients and medical devices providers. This is part of our strategy to partner with all actors who contribute to good nutritional care. Together we are committed to advancing better care through better nutrition.*”

In the words of Herman Ermens, Managing Director at *FrieslandCampina Ingredients* Medical Nutrition: “*We are active in Medical Nutrition for nearly 40 years. Since January 2017 FrieslandCampina Ingredients has established a dedicated unit focusing on medical nutrition. It’s our ambition to contribute to the quality of life. We reckon that MNI can help us to better understand the needs of patients in demand of medical nutrition and that on revert we can support the quality of nutritional interventions to best serve the interests of patients, healthcare professionals and healthcare providers.*”

The Medical Nutrition International Industry (MNI) is the voice of the medical nutrition industry at international level. MNI gathers companies that offer specialised nutritional solutions and services designed to meet the diverse nutritional needs of patients. We strive to put nutrition at the heart of patient care and we aim at an environment that provides fair access to nutritional care throughout the world. MNI is dedicated to advancing better care through better nutrition, across all ages and healthcare settings.
